*"As I ate the oysters  
with their strong taste of the sea  
and their faint metallic taste  
that the cold white wine washed away,  
leaving only the sea taste and the  
succulent texture, and as I drank their  
cold liquid from each shell and washed it  
down with the crisp taste of the wine,  
I lost the empty feeling and began  
to be happy and to make plans."*
